

Wass Elementary School

Our Mission...

The purpose of Wass Elementary School is to ensure that each child reaches his or her highest learning potential.

Our Vision...

In 3-5 years, Wass will be a place in which . . .

we will teach students curricula that enhances learning opportunities for all students and ensures learning by:

- using research supported best practices
- aligning curricula across and between grade levels
- integrating curricula in art, media, physical education, music, and Spanish
- aligning curricula with GLCEs
- making curricular decisions in collaboration with staff

we will administer assessments that are ongoing, consistent, and informative by:

- using common assessments based on data
- using concise and comprehensive assessments
- maximizing the use of rubrics in instruction
- sharing assessment information with our stakeholders

we will deliver instruction that contributes to each child reaching his/her highest learning potential by:

- using the most current technology
- collaborating among teachers
- optimizing individualized instruction
- incorporating best practices to accommodate the needs of all students
- implementing a cross-curricular approach

we will establish a positive collaborative culture that ensures all students will learn by:

- developing intervention programs
- strengthening self-esteem programs
- collaborating with teachers, parents, and administration
- involving and reaching out to all groups

Our Goals....

All children will improve in writing.

All fifth grade students will create and pursue personal growth plans.

All students will improve their reading ability.
