

How to Clear Your iPad Wifi History/Cache at Home

The steps below will allow you to troubleshoot connecting to websites and certain apps on your iPad from home.
If you are unable to connect after following these steps, please call the **Technology Help Desk (248) 823-5092**.

Step 1

Click the **Settings** icon

Step 2

Scroll down and click

Safari

then
click

Clear History and Website Data

Step 3

Go back to home

Step 4

Click **Safari** from home
Search **notpurple.com**.

Step 5

Type your **Username**
Password

Step 6

It may take up to 5 min
for the network to
accept your username
and allow you to
search new sites.

If the above steps do not work, please check that you are logging in with your username and not an email address.
If you recently changed your password, make sure you have typed it correctly.

If you are unable to connect after following these steps, please call the **Technology Help Desk (248) 823-5092**.
