SOC Sibling Preference Kindergarten Application Seat Placements: Lottery #1-#23

All 23 Kindergarten SOC Sibling Preference Applications that were submitted will receive a seat placement by the beginning of the 2022-23 school year. Eighteen (18) will be placed initially and the remaining five (5) will receive final placement in August. You will receive enrollment information from your currently attending student's home building unless there is no sibling in attendance at the time the new incoming student would begin school. If there is not a student in attendance at the start of the 22-23 school year at an elementary building, you will receive placement and enrollment information from the Central Enrollment Team. All final placements will be administered pending completion of the enrollment process.

SOC Non-Resident Kindergarten Applications: Lottery #24-#107 (WAIT LIST)

Applications that were pulled in the Lottery with #24-#107 DID NOT receive a seat placement for the 2022-23 school year and have been placed on our WAIT LIST. If a student who has been awarded a seat decides to decline placement, we will award the next spot beginning with #24 and moving forward as there is any movement. You will be notified by the Central Enrollment Team if your child is chosen from the Wait List.
